

**SYDENHAM-HERITAGE UNITED CHURCH  
AGM 2022 MEMBERSHIP SURVEY**

We have been discussing various ways of doing church beyond Sunday services in a sanctuary.

As a community of faith we have a tradition of practicing our faith in a number of different ways.

**How would you like our Church to practice our faith in the future?**

**In what areas would you like to see us develop and grow?**

Please circle the activities that you would like to see us continue to do and perhaps develop in the future:

- Mid-week services/meditations
- Partnerships with other community organizations
- Continuation of worship with Season's Retirement Home
- Food distribution to the needy
- Community dinners
- Bible Studies
- Book Discussions
- Inter-faith projects
- Activities and initiatives with other United Churches in the area
- Cooking classes and nutritional training
- Exercise activities
- Music programmes
- Place for hobbies such as knitting, painting, scrap booking
- Working with neighbourhood associations

Please share other suggestions in the space provided below:
